Sefirat HaOmer Projects

49 chocolate coins
Tissue paper
Yarn
Glue
Marker

Take chocolate coins and cover with tissue paper. Number the coins 1-49. String them together using glue and yarn. Each day remove the corresponding number of the day in the omer. Enjoy the chocolate!
Construction paper

Brown bag (cut into a shape of a mountain)

White square stickers

Markers

Glue

2 Gold lammee stickers

Paste the mountain onto the construction paper. Stick the squares onto the mountain in an ascending order. Label each square with a number 1-49. Stick the 2 gold lammee stickers on the top (to represent the luchot).

Each day, color in the box corresponding to the number on that day.
Large felt sheet

Small squares of felt

Glue

Markers

Lolly pops

Hang the large felt sheet on the classroom door. Glue on the small squares to form a pocket. Number the pockets 1-49.

Put a lollypop in each pocket.

Eat the lollypop to correspond with the day of the omer.

This can be done as a class or for individuals.
